

The image shows a large stack of white, wavy-edged plastic sheets, likely for construction or packaging, wrapped in clear plastic. A circular inset provides a magnified view of a label on the sheets. The label contains text in German and English, including 'MUSTERSTÜCK' (sample piece), 'MATERIAL NR.' (material number), and 'CHARACTER NR.' (character number). It also features two barcodes and the numbers '70000118' and '0000003925'.
